INSPIRE Directive word analysis

1. Introduction

This document provides an update on the INSPIRE Directive word and phrase analysis report that was posted to the *European Geographic Information Policy* forum (EGIP) on the 2nd March 2006. The number of words and phrases has been increased from 317 to 373 in this analysis of words and phrases.

A comparison of the time taken for the INSPIRE Directive and the PSI Directive 2003/98/EC to pass through the European Union co-decision process has been included at Section 1.3. An analysis of the words and phrases used within the Directive 2003/98/EC can be found on the ePSIplus one-stop-shop to information about PSI under Reports.

A comparison of the INSPIRE Directive recitals between the January 2006 edition and the January 2007 edition has been included at section 1.4.

A comparison of the INSPIRE articles between the January 2006 edition and the January 2007 edition has been included at section 1.5.

A comparison of the INSPIRE annexes between the January 2006 edition and the January 2007 edition has been included at section 1.6

1.1 Analysis as at 2nd March 2006

The report published on the 2nd March 2006 showed that a partial comparison of the words and phrases used in the European Commission July 2004 draft of the proposed INSPIRE Directive and that of the Council draft published in January 2006 showed some interesting examples of how the emphasis of the Directive gradually changes as a Directive passes through the co-decision process. The 10 words or phrases used by the Commission that are not used in the Council draft.

- Accessibility
- Commercial activities
- Common licensing
- Competition
- Decision 1692/96/EC25
